

IBM CLOUD REGISTERED

The screenshot displays the IBM Cloud Dashboard interface. At the top, a browser window shows the URL `cloud.ibm.com` and several open tabs including 'IBM Cloud Account Creation', 'Obtain an IBM Cloud Feature...', 'IBM Cloud', and 'New Tab'. The dashboard header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user account 'Saravana Prasath's Acc...'. A 'Create resource' button is prominently displayed in the top right.

The main section is titled 'Dashboard' and features a 'For you' recommendation carousel. The first card in the carousel is 'Build', which includes the text 'Explore IBM Cloud with this selection of easy starter tutorials and services.' and a 'Getting started' button. Subsequent cards include 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (Popular, 2 hr), 'IBM Watson Knowledge Catalog' (Recommended, 2 min), 'Build a Virtual Private Cloud (VPC)' (Getting started, 7 min), and 'App Cloud' (Instant application system, single instance, App Cloud).

Below the carousel, there are three main sections: 'User access' with a 'Manage users' link and a form to enter email addresses; 'News' with a 'View all' link and articles about 'Introducing Badges to IBM Cloud Certification' and 'Announcing IBM SaaSOne Network Performance Management Version 6.4'; and 'Planned maintenance' with a 'View all' link and a chat icon.
